Important Announcement Regarding Delivery of Books

Ref : iv/2020

Date : 26/04/2020

All the guardians of the students of Agarpara Swami Vivekananda Academy are hereby informed that the Initiative taken by us regarding 'Doorstep Delivery of Books' will be closed from today.

Due to present Lockdown situation, our delivery men are finding it difficult to cover all the places & as a result, it is not possible for us to carry on with this programme.

In view of the above circumstances, all are requested not to make any online payment for delivery of books. No books will be delivered from tomorrow. If any one makes payment after today (26/04/2020), the books will be delivered after the lockdown period is over.
